You can be content and thankful for where you are today and still be absolutely expectant and excited about what's to come!

Contentment does not mean settling. Don't ever settle for anything but THE BEST because that's what God wants for you. Nothing less.

Contentment is about being grateful and proud for how far God has taken you, and even more excited about how far you'll go.

Romans 8:37 - in all things we are more than conquerors through Him that loves us.

If there are no plans in the works that have you excited about the future, then you might just need to change your circle.

That's why I love my circle of abundant Christian entrepreneurs. They push me to dream bigger, inspire me to take action and support me when times get tough.

I need big dreamers in my circle who've got my back!

If you feel the same, type "CIRCLE" in the comments. You become who you surround yourself with! Choose wisely.

Just out here recognizing my value in the marketplace, visualizing my biggest dreams and going after them! Child of God, why are you letting people's opinions and your fears hold you back?

God has made it very clear that a person who multiplies what they are given are "Good and faithful servants" and will be entrusted with even more!! If you're not sure about it, go back and read the parable of the talents (Matthew 25:14-30).

That calling for more IS God... If you've tried before, if you've had to build alone, that isn't the case this time.

I've been there...And then I realized it was all for such a time as this!!

Because now I have the tools for success and the knowledge to use the tools.

Now I'm finally surrounded by abundant Christians who are building an online business just like me and celebrate my wins and teach me when I lose.

I've already made back my initial investment (**only say this if you have made 3 ABA sales**) and I promise you, you won't find a more affordable entry into entrepreneurship.

You know you're feeling the call, praying for God to confirm it, and I truly believe this is your sign. Comment BREAKTHROUGH and I'll send you the info for our private academy.

I know we're not perfect as NO one is but super thankful for the sanctification process us Christians go through...

We really can CHANGE.

A beautiful transformation that takes place when we take our thoughts captive and surrender them and our heart to God.

When you realize God wants the BEST for you. And I mean, really the best! That's the beginning of faith filled activation in your life!

God doesn't want us stuck in a poverty mindset, He wants you to thrive in your relationships, finances, health, marriage, and so much more. He came to give you life and life abundantly (John 10:10)!!

I truly enjoy seeing the transformation in all areas of my life.

It has been a joy.

I am entering a new phase in my life which, I'm not going to lie, is SCARY... But also so exciting!

Can't wait to share more with you...

Have you been feeling in your heart strongly that God has called you for greater change? Type "CHANGE" in the comments below and I'll share what's been helping me activate change in my life.

It just might jump start an amazing journey for you!

How do you view MONEY?

Here are some MONEY Bible scriptures that talk about how God views money:

1. "For the love of money is the root of all kinds of evil. Some people, eager for money, have wandered from the faith and pierced themselves with many griefs." - 1 Timothy 6:10
2. "No one can serve two masters. Either you will hate the one and love the other, or you will be devoted to the one and despise the other. You cannot serve both God and money." - Matthew 6:24
3. "For where your treasure is, there your heart will be also." - Matthew 6:21
4. "One gives freely, yet grows all the richer; another withholds what he should give, and only suffers want." - Proverbs 11:24
5. "Honor the LORD with your wealth, with the firstfruits of all your crops; then your barns will be filled to overflowing, and your vats will brim over with new wine." - Proverbs 3:9-10
6. "The wicked borrow and do not repay, but the righteous give generously." - Psalm 37:21

I love these scriptures because it teaches us that our attitudes towards money and how we use it reflects our relationship with God. Money isn't meant to be an end goal. It should be a tool for advancing God's Kingdom.

When we see money as a way to serve God's purposes, we align ourselves with His desires.

When we align ourselves with HIS desires, guess what?!
He blesses us with even more!!

My money journey is to be used mightily for HIS purpose... To be blessed to be a blessing!!

If you feel the same comment "BLESSED" and I'll share with you the blueprint I'm using to Biblically increase my own finances.

It's time for God's people to Rise Up in the marketplace!

It blows my mind that there is still such a negative narrative around Christians unapologetically building in business and thriving financially and providing for their families with excellence.

Proverbs 13:22 says a good man leaves an inheritance to their children's children.

Did you read that? Their children's, children. That's generational wealth... An overflow, an outpouring of wealth.

While many Christians are satisfied leaving their kids with nothing or worse, with debt.
That's not Biblical!

If you're a Christian entrepreneur or feeling called into business, know this account is for you.

And so is my private academy for Christian entrepreneurs where over 550 of us are building WEALTH in a healthy, BIBLICAL way.

Just the WORD, a powerhouse community, and a proven blueprint to build a PROFITABLE and AUTOMATED online business.

Comment ACTIVATE! I'll send the deets on how to get started.

In entrepreneurship, we must take responsibility for our own actions. I have been guilty of this myself...

I've been the person that has blamed others for the life and results I didn't have.

I couldn't do it because they didn't help me.
Why did they make it harder for me?
I can't do it because of them!

We are human and not perfect, but the key is to be aware of it. To recognize that it's wrong and fix it. Nobody owes you anything!

We can't put our dependence on others for what God has called us to do. We have to make the determination to make it happen, no matter what obstacles are in the way.

The responsibility is your own and no one else's!

My community of Kingdom entrepreneurs has taught me so much about taking the steering wheel behind my own life and taking it where I want to go with intention.

If you're ready to get behind the steering wheel of your life, I would love to share with you what's helping me. Comment KINGDOM and I'll show you how.

Do it for you.
Do it for your children.
Set the example for those that are watching.
One day your children will need that bulletproof mindset for their own life.

Create a change that will last generations.

If you're not exactly where you want to be right now...

Know this:

Gods not done with you.

He has the most amazing vision for your life.

But you are exactly where you are because of the culmination of the choices that you've made. God graciously gave us free will, so we get to choose.

If you want something different, you need to make different choices.

Choices that will stretch you into the person God created you to be. One that is full of influence, full of contribution and full of fulfillment.

That is exactly the type of people I surround myself with in my private community for Christian entrepreneurs.

Christians who are dedicated to building their online business and creating a life of excellence that represents God well.

Type "BELIEVER" in the comments if you desire to do the same.

When you build your dream that God gave you along with Him, God will lead your every move. Trust in him... He makes a way.

Standing firm in your WORD LORD.

Don't limit yourself.

You don't serve a limited God, and He doesn't put a limit to the gifts and blessings that He wants for you.

Matthew 21:22 - And whatever you ask in prayer, you will receive, if you have faith.

There's nothing too big that you can ask of Him. He can do it ALL.

Luke 1:37 - For nothing will be impossible with God.

Even if you don't see the full path, take the first step. When you take action, He will show you the next step and then the next.

2 Corinthians 5:7 - For we walk by faith, not by sight.

JUST BELIEVE. If God said it, it will not fail you.

Romans 10:17 - So faith comes from hearing, and hearing through the word of Christ.

We're helping Christians create, launch and scale their online business. Whether you're a beginner or a seasoned entrepreneur, this is for you.

Comment BELIEVE to learn more.

Thank you, Jesus!!

KINGDOM ONLINE BUSINESS

... Lies like doubt, fear, how you will fail, you don't have time, you're tired, money is evil, you're not smart enough for this, people will think you're a wannabe entrepreneur, people will think you're weird, I can't do this blah blah blah...

...IS YOUR FINANCIAL BREAKTHROUGH.

Why do you think the enemy tries so hard to deceive you and get you from staying on the right path?

He doesn't want you fulfilling your God purpose over your life.

I have seen it time and time again... Every time we come under spiritual warfare, there is breakthrough on the other side. We're close to entering our new season that the LORD has for us. We are aware of this now, praise God!

If we weren't aware of the enemy's schemes, we would believe all the lies of the enemy and stay exactly where we are. Allowing him to manipulate our life and keep us from progressing.

Make sure you hold all those lies captive and throw them into the abyss where they belong.

You are a Man or Woman of God that has the mind of Christ to push through those lies and fulfill God's FULL plan over your life. Speak His WORD and truth over your life instead.

If you're ready, we're about to cross **(Input the Activate Breakthrough FB group Members count)** Kingdom Entrepreneurs in our community from over 10+ nations, step-by-step lessons, weekly coaching and more...

Some of the goals our people have:

- Pay off Home Loan
- Pay off \$10K+ Credit Card loan
- Pay off \$10K+ Auto Loan
- Church Planting
- Sow into their own ministry
- Plan a family vacation
- Quit their job that burns them out
- Freedom to volunteer more at church
- Freedom to spend more time with their families
- Time to Homeschool their kids
- Time Freedom to evangelize where God calls
- Money to invest in their Christian clothing line store

If you have any of these goals in your heart or have a new goal where 10K in 30 days would definitely help achieve that goal type: "10K" and I'll send you the info.

You don't want to be the spectator while everyone around you is winning and achieving their goals...

Be the doer, the action taker, the one in your family that breaks that cycle of poverty and takes your bloodline to the next level

The one that takes your family from a place of lack, living paycheck to paycheck into stewarding their finances and investing towards making it grow and multiplying it in Jesus' Mighty name!

Then once you do all that, pour into your brothers and sisters to help them do the same.

****POST AN IMAGE OF YOURSELF WITH WORDS "TYPE 'GOALS' AND I'LL SEND YOU THE INFO" USE CANVA TO MAKE THE IMAGE.**

Super excited for those who have joined our Kingdom entrepreneur community in the last few days!!!

Can't wait to see the fruit that they will have as they attend the weekly call, learn all the things, take action on their weekly homework and are held accountable in order to achieve their income goals online!

I remember when I started to make money as a side hustle; it was mind blowing! I was in awe that I can make money online with just learning and taking action!

Congrats to all who are really committed to transform their finances and multiply their talents. To not only prosper in their own lives but for the Kingdom of God!

Many want to flourish in their finances, but few are those who are willing to commit, take action and sacrifice the instant gratifications for it! I'm here to encourage you not to settle and go after all of God's promises he has for you! The full, abundant plan God has for you!

If you have a heart for God and want to create an online income that will also glorify Him, there's still time to REGISTER! If you'd like to see if you qualify type "GLORY" and I'll message you the info!

****POST AN IMAGE OF YOURSELF WITH WORDS "TYPE 'GLORY' FOR INFO" USE CANVA TO MAKE THE IMAGE**

When people tell me they need to get their finances right before they invest in the business...

My heart aches because if they only would be open to a shift in their mindset, an even greater opportunity for them to get their finances right (like, amazingly beyond what they think is possible) is waiting on the other side. If they are willing to believe and take action...

My heart has such a PASSION to see the KINGDOM community thriving!

I don't blame anyone who has this mindset because that's how I used to think too..

I needed to change.

My priorities were way off.

We must make sure we have our priorities straight and really align ourselves with God's plan for us. We need his wisdom.

I remember when I preferred to spend on coffee every morning, go out to eat, spend on clothes I didn't need, spend on unnecessary items for the home that I thought I "needed" and the list goes on and on... When in fact I should have been gathering those funds to invest in a business so I can see it multiply.

I was fixed on instant gratification instead of focusing on how to multiply our funds so I can pay off the credit card debt I was IGNORING and having a blind eye to...

Now it's even easier to generate income with a Kingdom online business because of automated systems that are available in today's world.

Praise God for them!

If you are not using automated systems for creating online income, you are completely missing out on massive passive income.

If you want to join us in this amazing life changing mentorship type "READY" and I'll send you info.

Your circle has a massive impact on your mindset and results! 👥

Surround yourself with people who have HUGE goals and a passion for making an impact, and it will rub off on you. Their drive, ambition, and hunger for growth becomes contagious.

But surround yourself with those who have NO goals, NO plans for improvement or acceleration? That lazy, stagnant energy will sadly rub off instead.

Your community matters! Choose wisely who you let speak into your life. Whose attitude and actions are you allowing to influence you daily?

If you're ready to level up this year and surround yourself with other Christ-centered go-getters committed to growth and impact, type "LETS GO!" below.

Don't just wish for a breakthrough year. Purposefully cultivate the mindset and momentum required by joining the right tribe! It's time to soar, believer!

Hebrews 10:38-39 “But my righteous one will live by faith. And I take no pleasure in the one who SHRINKS BACK. But we do not belong to those who shrink back and are destroyed, but to those who have FAITH and are SAVED.”

Shrinking back will only bring regret...

Beloved, I want to be transparent @followers

Maybe about 2 weeks ago the enemy tried to feed me lies from the pit of hell!

Ever since I started my online business, the enemy tried to creep in and tell me, “What are you trying to do here? This is something too big to handle. You can’t do this. It’s too BIG!”

As soon as I heard this, I was like WHAT! That is not how I normally think and believe... My faith is pretty STRONG and I know that I can do anything with God on my side! It’s God Himself doing it through me as I follow and am obedient to His plan.

I immediately knew these were the lies of the enemy because he wants me to shrink back so then GODS PLAN does not come forth...

I immediately rebuked it in Jesus' Mighty name.

It’s super important to hold our thoughts captive because “The thief comes to steal and kill and destroy and Jesus has come to give us life, and have it fully.” John 10:10

What does he want to steal, kill and destroy?

You’re marriage, financial blessings, health, family and kill you through suicidal thought. I know more people have had these thoughts than they would ever likely admit.

I share this so you know that NO ONE is free from the enemies lies (not even Jesus himself) and deceit! We must be aware of his schemes and lies! Always alert and prepared with the Armor of God.

Felt called to share this for anyone that may have received similar thoughts from the enemy! I love you and don’t believe those lies of the enemy as you are a mighty warrior for the King of Kings if you’ve surrendered your life to Jesus Christ.

You will move forward and fulfill the plan God has for you and you will hear the beautiful words from God, “Well done, my good and faithful servant.” Keep battling the enemy with prayer and God’s Word daily.

ATT: Christian Entrepreneurs

How much faith do you have for God's promises in your life? Are you living in the promised land flowing with milk and honey? Or do you feel like you're still struggling in the wilderness?

In Numbers 13, the Israelites scouted the promised land and came back with a negative report. They said, the land indeed is flowing with milk and honey, but the people who live there are powerful and they are stronger than we are. And because of that they did not claim the promised land and struggled in the desert for 40 years.

God promises you too a life flowing with milk and honey. A life that lacks nothing and overflows with abundance.

But many times we approach life like that of the Israelites who gave a bad report. In fear of the giants you must slay to lay claim of your promised land. Giants like, laziness, procrastination and fear. But God says rise up so He can bless you.

In Numbers only 2 people had the faith to conquer the promised land (Caleb and Joshua). And because of that, they were the only ones who were able to step foot on the promised land 40 years later.

Our Kingdom community and online biz are building up an army of Caleb's and Joshua's. We just passed **(Input the Activate Breakthrough FB group Members count)** Kingdom entrepreneurs and growing.

How much more money per month do you need to live your IDEAL life?

For most people, that number is not THAT HIGH. But the idea of having it is NEXT TO IMPOSSIBLE.

Typical behavior patterns teach us...

1. Get a 2nd job and literally work till you die
2. Go back to school and drown yourself deeper in debt to work for a different boss who will probably appreciate you just as little as the others
3. Climb the corporate ladder so that next year you can afford to add guacamole to your burrito bowl without blinking an eye.

NO NO NO!!!

There are countless more options than that!

Whether your ideal life is going to cost you an extra \$500, \$2000, \$10,000 or \$100,000 a month... Your ideal life is achievable and you are WORTHY of it so GO GET IT!!

If you don't know how and could use some help comment WORTHY to get a glimpse of what I am doing to go get it!

Every day you say NO to your dream.

You push your dream back another six months, maybe even a few years...

The only thing that holds people back is FEAR.

FEAR of Failure

FEAR of Rejection

FEAR of Losing Face

FEAR is the biggest killer of DREAMS.

It's no wonder that we find in scripture the instructions from God to "do not be afraid" 365 times for every day of the year. Coincidence? NO WAY!

But when you realize that every expert was once a beginner... And that with the right MINDSET and MENTORSHIP you can condition yourself to be the best at anything you choose to...

THEN YOU WILL BE UNSTOPPABLE.

If you can use mentorship from successful Kingdom entrepreneurs, comment "MENTOR" to learn how. Hurry before the door closes!!

Some Tough Love Talk...

Because I CARE!

In order to improve your life, you must take that first step towards changing it.
What has changed since the beginning of the year?
Are you exactly in the same place or worse?

If you are achieving your goals, then that's AMAZING and I'm proud of you!!

But if you're not...

Are you still hanging out with people who don't support you?
People who doubt you and discourage you from pursuing your dreams?
People that add no value to your life and maybe even drain life out of you?
People that criticize you instead of lifting you up?
People that only add drama into your life?

Just because you've known them for 5, 10, 20 years does not mean you have to keep them in the same capacity for the rest of your life.

Have you ever thought maybe that's part of the reason why you're stuck where you are? If you're not achieving your goals, it's likely because you're not surrounding yourself with the right people.

Also, have faith and believe that whatever it is that you want, you can have it (if your heart is right).

Remove the words realistic from your vocabulary. Remove limiting beliefs. Believe the way kids believe. Believe that anything is possible.

Especially when you start, take action and have faith.

Don't wait to take action on what you want to achieve... Start NOW.

I will always be rooting for you.

If you still dread Mondays, listen up! 🦻

That pit in your stomach every Sunday afternoon? That's your soul's way of telling you there has to be more to life than living for weekends. Existing in a cycle of dread just to get through each work week is NO way for a child of God to spend their precious days!

You were created for greater things - for abundance, passion, and purpose that sets your spirit on fire. A sovereign God breathed dreams and talents into you that are meant to be expressed, not suppressed.

So if you've been settling, if you've been letting the "daily grind" slowly extinguish your light, it's time to make a change. Stop letting fear, doubts, or other people's limitations define your reality.

Take it from someone who once felt that same pit of dread week after week. Until one day, I got tired of merely existing and decided to start truly living instead. No more dread, no more waiting for retirement or those short weekend reprieves.

Every single morning became something to celebrate when I got in alignment with my God-given purpose and potential! If that sounds liberating, then comment "BREAK FREE" below. I'll share the steps I took to permanently kick that dread and reclaim my enthusiasm for each new day. You owe it to yourself to finally experience lasting joy and fulfillment!

Society loves to show off expensive material things as the ultimate "flex". But you know what the real flex is? True freedom and control over your time.

Not having to wake up at the crack of dawn to work for someone else's dreams. Being able to spend quality time with your family whenever you want - random outings with your kids, spontaneous date nights, not having to rush home to cook after a long day's work.

Those are the real flexes that create fulfillment money can't buy.

When your priorities and values align with how you earn a living, that's true wealth. So don't get caught up in society's narrow definition of success through possessions alone. Design a life where your soul feels nourished every single day by prioritizing what truly matters most.

Comment "ACTIVATE" to learn the process that's unlocking freedom for hundreds of families.

1. Proverbs 10:22 - The blessing of the Lord maketh rich and He adds no sorrow.
2. Deuteronomy 8:18 - And you shall remember the Lord your God, for it is He who gives you power to get wealth, that He may establish His covenant which He swore to your fathers, as it is this day.
3. Luke 19:13 - Calling ten of his servants, he gave them ten minas, and said to them, 'Engage in business until I come.'
4. Proverbs 13:4 - The soul of the lazy man desires, and has nothing; but the soul of the diligent shall be made rich.
5. Colossians 3:23 - Whatever you do, work at it with all your heart, as working for the Lord, not for human masters.

The Bible makes it crystal clear - God wants His children to work and walk in abundance and richness in all areas, including finances! But this great blessing requires faithful stewardship of our gifts and unwavering diligence.

What I love is that because I’m reading the WORD for myself and the Holy Spirit himself is teaching me, then it won’t be so easy to be deceived by the world's teachings.

There truly is a fine line on what the truth is...

Before reading the word of God, I used to read many self-help books. Although they did help in certain areas of my life, I have realized that many stem from the word of God. While others don’t and although they seem innocent and correct on the surface level, they are far from the truth.

The only way we can truly discern the truth is through the Holy Spirit revealing it to you by the Living & Active Word of God.

We can NEVER be deceived when led by the Holy Spirit, our helper.

“But when the Helper comes, whom I will send to you from the Father, the Spirit of truth, who proceeds from the Father, he will bear witness about me.” - John 15:26

If you're a full-blown intercessor and unashamedly building generational wealth — you just found your corner of the Internet! Excited you're here!

If you're ready to be cheered on by a tribe of passionate kingdom-builders while you chase your biggest God-sized dreams, you're in the right place. Let's build generational wealth together through businesses that bring Him glory!

I am cheering you on every step of the way.

Stop simply wanting what you desire in life... it's time to DECIDE how you'll achieve those dreams!

There's a huge difference between wishful wanting and powerful decision-making...

One keeps you stuck, the other propels you into purposeful action.

It's a total game changer!

Years ago, I decided I was done just wanting the life of freedom I craved. I would work tirelessly on building my own business until I could walk in total liberty - the freedom to homeschool my children, to operate my own venture, to travel the world, and ultimately, to bless others in need.

As Proverbs 13:4 states, "The desires of the diligent are fully satisfied." I was determined to be diligent, not lazy, in pursuit of the abundant life I envisioned.

Author Jen Sincero says it best: "You need to go from wanting to change your life to deciding to change your life. If you want to live a life you've never lived, you've got to do things you've never done."

202X can still be YOUR year of total transformation - in your health, finances, mindset, and overall peace. But it starts with a firm decision to stop wandering and start going all-in on the desires God has placed in your heart.

Who's ready to join me and make this the best year of their life yet? Type "DECIDE" below and let's get started!

God of Suddenlies

Did you know there are 87 "suddenlies" in the Bible? One powerful example is Acts 16:25-26 (KJV):

"And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them. And suddenly there was a great earthquake, so that the foundations of the prison were shaken: and immediately all the doors were opened, and every one's bands were loosed."

I experienced my own "suddenly" in **Month 202X**. Praise God! 🙌

To receive this suddenly, I surrendered and let God move in my life.

Believing for more suddenlies in our lives. I will never put God in a box. I refuse to limit Him.

Type **SUDDENLY** in the comments if you're ready to see God move suddenly in your life. Trust Him and watch amazing things happen!

God's plan for you is abundance. He wants you to thrive in every area of your life!

In John 10:10, Jesus says, "I have come that they may have life, and have it to the full." This is a promise of abundance, not just in material things, but in joy, peace, purpose, and so much more.

Too often, we settle for less than God's best. We get caught up in the struggles of life and forget that our Creator wants to bless us beyond our wildest dreams. But when we align our hearts with His and start believing His promises, that's when transformation happens.

It's time to shift our mindset from scarcity to abundance.

From fear to faith.

From settling to soaring.

God's plan is for you to live an extraordinarily abundant life, and it all starts with believing and receiving.

If you're ready to embrace the abundance God has for you, type "ABUNDANCE" in the comments. Let's believe together, encourage each other, and watch our lives change in incredible ways. It's time to step into the fullness of life that Jesus came to give us!

Surround yourself with dreamers.

Proverbs 13:20 says, "Walk with the wise and become wise, for a companion of fools suffers harm." The people you surround yourself with have a profound impact on your life. They can either lift you up or drag you down.

That's why it's so important to find people who inspire you to dream big, take bold action, and support you through the ups and downs of life!

When you surround yourself with visionaries, risk-takers, and faith-filled friends, their courage and enthusiasm will rub off on you... 🎉

On the flip side, if you're constantly around people who are negative, complacent, or stuck in a rut, it's easy to fall into the same patterns. You start to doubt yourself, play it safe, and settle for less than God's best.

But when you have a circle of dreamers who are chasing after God's heart and His purposes, ANYTHING is possible.

You challenge each other, pray for each other, and celebrate each other's victories. You become a force for good in the world, shining Christ's light and love in amazing ways. ✨

Contentment is not settling.

In Philippians 4:12-13, Paul writes, "I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation... I can do all this through Him who gives me strength."

Contentment is a powerful thing. It's the ability to find joy and peace in the present, regardless of your circumstances. But sometimes, we confuse contentment with settling.

We think that being content means being complacent, giving up on our dreams, or accepting less than God's best...

But true contentment is NOT about settling.

It's about trusting God, being grateful for what He's done, and having faith for what He's yet to do. It's about finding strength in Him to keep pressing on towards the amazing future He has in store.

So be content, but don't settle.

Be grateful for how far God has brought you, but keep pursuing the more He has for you.

Trust His timing, His wisdom, and His love. And watch Him do exceedingly, abundantly more than you could ask or imagine. AMEN!

If you're ready to embrace true contentment while still pursuing God's best, type "CONTENT" below. Let's encourage each other to trust God's perfect plan as we journey towards all He has for us!

You are more than a conqueror. ❤️

Romans 8:37 declares, "No, in all these things we are more than conquerors through Him who loved us." What a powerful truth! In Christ, you are not just a conqueror, but MORE than a conqueror.

This means that no matter what battles you face, what obstacles come your way, or what challenges try to hold you back, you have the victory. Through Christ's love and His mighty power within you, you can overcome anything.

Do you believe that?!

But conquering isn't just about surviving or getting by. It's about thriving, triumphing, and living in the fullness of God's promises. It's about walking in joy, peace, and purpose, no matter what life throws your way.

So don't just settle for being a survivor. Embrace your identity as more than a conqueror. Believe that God is working all things together for your good. Stand firm in His love and His truth. And watch Him lead you into victory after victory.

Change is possible.

2 Corinthians 5:17 says, "Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!" Isn't that incredible?

When you give your life to Jesus, you become a brand new creation. The old you, with all its sin, shame, and brokenness, is gone. The new you, filled with Christ's righteousness, joy, and purpose, has come.

This means that no matter your past, no matter your mistakes, no matter how stuck you feel, change is possible. Through the power of the Holy Spirit, you can break free from old patterns, heal from past wounds, and step into the abundant life God has for you.

But change is not always easy...

It requires surrender, perseverance, and a whole lot of grace. It's a journey of daily saying yes to God and no to the things that hold you back. It's a process of letting God mold you, refine you, and transform you from the inside out.

But oh, is it worth it!

Because as you allow God to change you, He will use you to change the world. He will shine His light through you, drawing others to His love and truth. He will empower you to make a difference, to leave a legacy, and to build His kingdom in amazing ways.

If you're ready to embrace the change God wants to bring in your life, type "CHANGE" below. Let's encourage each other on this journey of transformation, cheering each other on as we become all God created us to be!

6 figures CASH in just 3 months! 🤖

My business mentor Jess did this!!

Are these results typical? No.

Not because of the business model - it's actually genius and a step-by-step proven system.

Why? It's because most people don't have the mindset and belief it takes in order to achieve these kinds of results.

I'm actively growing my mindset and belief in what's possible. God of abundance and miracles. It's not about the money, it's about what the money can do. How it can be used as a tool to advance the Kingdom here on earth.

If you're skeptical, that's okay. I used to be too... But this is as REAL as it gets. Are you ready to take the leap? Comment "LEAP" below to learn more.

Stepping into change can be scary.

Joshua 1:9 reminds us, "Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go."

Change is never easy...

It often means leaving behind the familiar, the comfortable, and the safe. It means venturing into unknown territory, facing new challenges, and risking failure.

But here's the good news: when God calls you to change, He goes with you. He is not sending you out alone, but promising to be with you every step of the way. His presence is your strength, your courage, and your guide!

So when fear tries to hold you back, remember that the Almighty God is by your side.

When doubts creep in, recall His faithfulness and His perfect track record.

When the path ahead seems uncertain, trust that He is directing your steps and working all things together for your good. 🙏

Change may be scary, but it's also exciting!! It's an opportunity to grow, to stretch your faith, and to see God move in mighty ways. It's a chance to step into the new things He has for you, the greater purposes He's prepared you for.

If you're facing change and need some encouragement, type "TRUST" below. Let's remind each other that we can trust God in every transition, every challenge, and every new season. He's got us, and He's got great things in store!

Generational wealth IS Biblical.

Yes, you read that correctly...

Proverbs 13:22 says, "A good person leaves an inheritance for their children's children, but a sinner's wealth is stored up for the righteous."

As believers, we are called to steward our resources wisely, not just for our own benefit, but for the benefit of generations to come. Financial wealth is a tool we can use on earth to sow into the Kingdom of God!! Let's not take it lightly.

This means that the financial decisions we make today have the power to impact our children, our grandchildren, and beyond...

When we handle money God's way, saving diligently, giving generously, and investing wisely, we create a legacy of blessing that can transform lives for years to come.

But generational wealth is about more than just money. It's about passing down faith, values, wisdom, and a heart for God. It's about modeling a life surrendered to Christ, committed to His purposes, and overflowing with His love. It's about raising up a generation that will carry the torch of the Gospel further than we ever could.

Building generational wealth takes intentionality, discipline, and a long-term perspective.

It means making choices today that may not pay off immediately, but will yield fruit for decades down the line. It means prioritizing the eternal over the temporary, and the needs of others over our own desires.

If you're committed to building a legacy that will outlast you, comment "GENERATIONS" below. Let's cheer each other on to good stewardship, Christ centered parenting, and a vision for impacting the world, one generation at a time.

“Most people will never be able to be successful at something like this. It’s almost impossible...”

My answer to this comment:

You’re absolutely correct.

💡 Your thoughts because words... 🧠

🧠 Your words become your actions... 🏃

🏃 Your actions become your habits... 🏆

🏆 Your habits create your life! 🙏

Every thought you’ve made in your life has led you to where you are today. If you’re looking for change - start with your thoughts.

Not just positive thinking... Start renewing your mind DAILY with the Word of God. Positive thinking will only get you so far, but the Living & Active Word of God will TRANSFORM you.

Our God is a God of infinite possibilities. Nothing is impossible or too big for Him. Do you believe that?

You can co-create a successful life in EVERY area of your life with the LORD, but you must renew and shift your thoughts first. Comment INFINITE below to learn more.

Building wealth as a Christian is NOT wrong.

I'm shocked how many Christians believe this lie and stay stuck or struggling financially... 😞

Deuteronomy 8:18 reminds us, "But remember the Lord your God, for it is He who gives you the ability to produce wealth, and so confirms His covenant, which He swore to your ancestors, as it is today." God is not opposed to His children prospering. In fact, He delights in blessing us so that we can be a blessing to others.

The key is to build wealth God's way. This means recognizing that everything we have belongs to Him, and we are simply stewards of His resources. It means seeking His wisdom in our financial decisions, being diligent in our work, and generous in our giving.

It means using our wealth not for selfish gain, but for Kingdom purposes. 🔥🙏

When we build wealth with the right heart and the right priorities, it can be an incredible tool for good. It can fund the spread of the Gospel, alleviate poverty, and meet practical needs in our communities and around the world. It can provide for our families and leave a legacy for future generations!!

But building wealth God's way is not always easy. It requires trust, obedience, and a willingness to go against the world's ways. It may mean making sacrifices, taking risks, and being misunderstood by others.

The rewards - both earthly and eternal - are more than worth it.

If you want to learn how to build wealth in a way that honors God, type "WEALTH" below. Let's encourage each other to steward our resources well, live generously, and use our prosperity for His glory.

This all can apply to your KINGDOM BUSINESS 🔥💪👊

“In everything that he undertook in the service of God’s temple and in obedience to the law and the commands, he sought his God and worked wholeheartedly. and so he prospered.” - 2 Chronicles 31:21

Hezekiah was all in when it came to serving God and following the law - he put his heart and soul into everything he did. And guess what? It

paid off. God is faithful 🙌

But let me tell you, commitment doesn't come cheap!

Hezekiah had to make some serious sacrifices to make it happen!

1. He had to get rid of his old ways and make some serious lifestyle changes.
2. He had to step out on his own and face the criticism, even when no one else was on board at first.
3. He had to trust in God and believe that all his hard work would pay off in the end.
4. He had to deal with the haters and critics who questioned his every move.
5. He had to give up time, energy, and money to see his plans through.
6. He had to stick to a strict daily routine to make sure everything went according to plan.
7. And let's not forget about the constant pressure to succeed and the fear of failure hovering over him.

But you know what? Despite all the obstacles, Hezekiah never backed

down. Praise God 🙌

He was determined to see his mission through and, in the end, he

reaped the rewards of his obedience and commitment 🙏 @highlight

Activate your faith.  

Hebrews 11:6 says, "And without faith it is impossible to please God, because anyone who comes to Him must believe that He exists and that He rewards those who earnestly seek Him."

Faith is not just a nice idea or a comforting sentiment. It is the very foundation of our relationship with God and the key to unlocking His promises in our lives.

But faith is not passive. It's not just mentally agreeing with God's Word or hoping for the best.

Faith is ACTIVE.

It's stepping out in obedience, even when you can't see the full picture. It's trusting God's character and His promises, even when circumstances seem to contradict them. It's living like God's Word is true, no matter what the world says.

This is especially important when it comes to pursuing the dreams and purposes God has placed in your heart. Whether it's starting a business, launching a ministry, or stepping into a new season of life, activating your faith means taking bold, courageous steps forward in obedience to God!

It means pushing past fear, doubt, and the voices that say you're not qualified or equipped. It means being willing to risk failure, knowing that God's grace is sufficient and His power is made perfect in your weakness.

It means fixing your eyes on Jesus, the author and perfecter of your faith, and following Him wherever He leads.

God wants you to have life abundantly!! 🌳

In John 10:10, Jesus says, "The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full." What a contrast! The enemy wants to rob you of joy, peace, and purpose.

But Jesus came to give you life - not just any life, but ABUNDANT life.

Can you imagine how the world would be if EVERY Christian believed this truth?!

This means that God's desire for you is not just to survive, but to thrive. He wants you to experience His goodness in every area of your life - your relationships, your health, your finances, your career, your ministry. He wants to bless you beyond your wildest dreams and use you to bless others in incredible ways.

Yet so often, we settle for less...

We buy into the lie that we have to struggle, strive, and barely get by. We accept a poverty mindset, thinking that's all we deserve or all that's possible.

THAT'S NOT GOD'S PLAN!

God's plan is abundance. It's fullness of joy, peace that passes understanding, and provision that exceeds your needs. 🕊️ It's a life of purpose, passion, and impact. 🔥 It's a life lived in the overflow of His love and grace. ❤️

If you're ready to step into the abundant life Jesus came to give you, comment "ABUNDANT LIFE" below. Let's believe God for breakthroughs, miracles, and more than enough. Let's live in the fullness of all He has for us! AMEN!

📖 Philippians 4:8 reminds us to fix our thoughts on what is true, honorable, right, pure, lovely, and admirable. 🙏

Friends, this verse has been on my heart lately, and I feel compelled to share it. While we often focus on God's goodness (which is amazing!), we also need to be aware of the enemy's subtle tactics. #wisdom

The enemy works gradually, often unnoticed. That's why it's crucial to ask God for discernment and awareness of his schemes. Remember John 10:10: "The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly."

God has planted dreams in your heart that the enemy wants to crush. Don't believe the lies: "You're not good enough," "You have no time," "You're too young/old," "You don't have money." These are all deceptions!

If God gave you those desires, He's also given you the tools to succeed. He's on your side, waiting for you to take action and listen to Him. This is why a daily relationship with God is so important.

I used to be a "Sunday-only" Christian, but now I crave His word and presence daily. His wisdom has become my lifeline.

To anyone struggling with their purpose or dreams: Stay close to the Lord, trust Him, and be alert to the enemy's tricks. You've got this! 💪

Remember Jeremiah 29:11: "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

Let's keep our minds fixed on God's truth and our hearts open to His guidance. Who's with me? Comment "AMEN" if you're ready to pursue God's plans for your life! 🙌

🌟 "God gives you the resources for success. But it's up to you to recognize them and use them to their fullest." - T.D. Jakes 🙌

Let that sink in for a moment. How many times have we overlooked the blessings right at our fingertips? 🤔

But here's the truth bomb: Fear is often what holds us back. As author Jennifer Allwood powerfully puts it:

"Fear will convince you to wait, because surely if you're scared, it must be bad timing. Fear will convince you to settle for less than what you deserve. Fear and insecurity will always try to talk us into settling for lesser things. Fear makes us hide. Fear makes us play small. Fear will convince you to settle for less than God's best."

Wow. How many of us can relate to this?

But here's the good news: God has not given us a spirit of fear!
Remember Joshua 1:9?

"Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go." 💪

It's time to recognize the resources God has given you and use them boldly.

No more hiding.
No more playing small.
No more settling for less than God's best.

🚀 Breaking Free from Emotional Slavery 🚀

Are you letting your feelings dictate your actions? It's time for a perspective shift! 🔄

The world says "follow your heart," but Jeremiah 17:9 reminds us, "The heart is deceitful above all things and beyond cure. Who can understand it?" 🤔

Here's the truth: We're not called to be slaves to our emotions. We're called to take the narrow road, which often means doing what's right even when we don't feel like it.

Matthew 7:13-14 says, "Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it."

So how do we break free?

1. Recognize that feelings are temporary, but God's truth is eternal.
2. Take action based on God's Word, not your emotions.
3. Trust that the right feelings will follow obedience.

Remember, even Jesus in the Garden of Gethsemane chose obedience over His emotions (Luke 22:42).

When we align our actions with God's will, regardless of how we feel, we create a path for joy, peace, and purpose to follow. 🌈

Proverbs 16:3 says, "Commit to the LORD whatever you do, and he will establish your plans." 🙏

🔥 Why Only 2% Achieve True Success 🔥

I often get asked: "If ANYONE can be successful and wealthy, why do only 2% achieve it?"

The simple answer? Most people don't want it badly enough.

What they really crave is COMFORT:

- Relaxing after work
- Partying on weekends
- Avoiding awkward situations
- Hiding from potential failure
- Instant gratification
- Universal approval

But here's the truth: The road to success is anything but comfortable.

Success demands:

- Pushing past your limits
- Embracing failure as a teacher
- Working without immediate results
- Making tough choices

If you TRULY want success, get comfortable being UNCOMFORTABLE.

Remember: When you look back on your journey, you'll realize that the struggle was the most transformative part.

God's Greatest Gift: The Power of Choice

Our choices shape who we are. Every decision we make is guided by one of two forces: FAITH or FEAR.

I knew I could BE before I ever knew HOW I could be. Many hold themselves back from greatness because they fear the unknown, the possibility of failure.

But here's the truth: Faith is the only way to do what's never been done.

Let your faith be bigger than your fear. Embrace the gift of choice and step boldly into your potential.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."
(Jeremiah 29:11)

Let's focus and meditate on this verse today...

This powerful verse from Jeremiah reminds us of a fundamental truth: God wants us to prosper. He has good plans for our lives - plans that include hope, a future, and yes, even prosperity. But too often, we limit ourselves by our own small thinking or by misunderstandings about what God wants for us.

We also must walk in obedience. 🙏

In our Kingdom Entrepreneur community, we take God at His word. We believe that when we align our business goals with His will, we can experience the prosperity He promises.

This isn't about greed or materialism - it's about stewarding the resources God gives us to bless others and further His kingdom.

Are you feeling stuck? Like you're running on a hamster wheel, never getting ahead? I've got good news for you - God has already prepared your breakthrough! But here's the catch: you won't find it by thinking the same old thoughts.

Remember what the Bible says in Romans 12:2 - "Do not conform to the pattern of this world, but be transformed by the renewing of your mind." That's your key to freedom!

Your current situation isn't your final destination. God has so much more in store for you. But to step into that new reality, you need to change your thinking.

Here's what that might look like:

- Instead of focusing on what you lack, start being grateful for what you have
- Replace "I can't" with "How can I?"
- Stop dwelling on past failures and start envisioning future successes
- Quit comparing yourself to others and start competing with who you were yesterday
- Start declaring the Bible over yourself daily!

This shift won't happen overnight, but with God's help and the right community, you can rewire your thinking. And when you do, watch how quickly your external circumstances begin to change!

Ready to make that shift? Comment "TRANSFORM" below if you're ready to renew your mind and escape the trap of negative thinking. Your breakthrough is waiting!

🔥 People before Profits! 🔥

THAT's how it works in Kingdom Economics!

In today's world, we often hear the phrase "profits over people." But in God's economy, it's the exact opposite. Let's dive deeper...

In the Kingdom of God, there's a direct connection between achieving great success and prosperity and genuinely caring about the people God puts in your path. It's about regarding others as important, rather than solely focusing on working hard for money's sake. This shift in perspective can transform not just your business, but your entire life!

Now, don't get me wrong. I'm NOT saying you shouldn't work diligently or strive to improve your effectiveness and bottom line. You absolutely should! What I'm talking about here is a heart issue - a fundamental shift in your motivations and priorities.

Here's the beautiful truth: God wants us to care more about serving people than we care about money. And here's the amazing part - when we do this, the money will come! It's a divine paradox that defies worldly logic but aligns perfectly with God's principles.

So, how do we put this into practice? It starts with developing a "serve people" heart instead of a "get more money" heart. This means:

1. Prioritizing customer needs over quick profits
2. Treating employees as valuable team members, not just resources
3. Seeking to solve problems and add value, not just make a sale
4. Building genuine relationships, not just business connections
5. Giving generously, even when there's no immediate return

Remember, with God, it's ALWAYS all about people. Period. Nothing is more important to Him! When we align our hearts with this truth, we position ourselves for true Kingdom success.

This doesn't mean sacrificing profitability. In fact, businesses that prioritize people often end up more successful in the long run. Happy customers become loyal advocates. Valued employees work with passion and dedication. Genuine relationships open doors to new opportunities.

So, let's challenge ourselves to embrace this Kingdom perspective. How can you put people first in your business today? How can you serve more authentically? How can you show God's love through your work?

Are you ready to revolutionize your approach to business and success? Comment "KINGDOM" below to join our community of entrepreneurs who are putting these principles into practice every day. Let's change the world, one person-centered business at a time!

Is this a "get rich quick" scheme? Let's clear the air.

No, our business isn't about getting rich overnight with no effort. It's a legitimate opportunity with real products and proven strategies. But make no mistake – it requires smart, CONSISTENT work.

- It takes work, but the potential rewards are significant
- Our programs provide tangible results

What boundaries have you created in your life? What imaginary walls or cages have you unconsciously built for yourself?

God created us with infinite potential! INFINITE! Believe that and tap into your abundant power!

There's an old story about a frog in boiling water. If you put a frog in boiling water, it'll jump out immediately. But if you put it in comfortable water and slowly raise the heat, the frog will stay and die.

We're often like that frog. Look at the unhappy faces on the train, bus, or at work. Life has a sneaky way of bringing us to our knees slowly and steadily.

Before you realize it, you've spent 90% of your life doing things that add nothing to your happiness. Waking up early, commuting, working 8-hour shifts just to enjoy weekends and holidays.

There's so much more to life than that!

In today's world, there are many ways to break free. People who've done it can show you how. But it's up to you to take action.

I'm not saying it's easy. It's very hard. But living a mundane life and spending 90% of it building someone else's dream is also hard. PICK YOUR HARD. A few years of intense work to enjoy the remaining 90% of your life? Or working hard for the rest of your life to enjoy just 10%?

The choice is and will always be YOURS. Comment "INFINITE" if you're ready to start building YOUR dream.

"The substance of things hoped for, the evidence of things not seen" - Hebrews 11:1 KJV

Faith is believing in the unseen, in what's never been done, in your ability to achieve the impossible. It's about trusting in your potential, even when you can't see the results yet.

Remember doubting Thomas in the Bible? He wouldn't believe until he saw and touched Jesus' wounds. But Jesus said, "Blessed are those who have not seen and yet have believed."

That's real faith!

The world is full of doubting Thomases, but the most dangerous one is the one inside you. Don't be your own worst critic. Have faith in all things, including in YOURSELF!

Success isn't just a goal to achieve; it's a mindset to cultivate. When you develop that mindset, achieving your goals becomes inevitable.

What are you reading or listening to that's shaping your mindset? I'm constantly learning new approaches to my business with every book I read. Even rereading great books reveals insights I missed before.

The World's Changing: Where Do You Stand?

There are three types of people in this world:

1. The Movers: Those who make things happen
2. The Watchers: Those who observe from the sidelines
3. The Unaware: Those oblivious to what's happening

Every day, we choose our role. But here's the reality check:

- National debt? Spiraling.
- Economy? Struggling.
- Inflation? Skyrocketing.
- Grocery bills? Up 30%+

Meanwhile, most people's incomes remain stagnant. If you're not taking action, brace yourself for tougher times ahead.

But there's hope! The digital revolution offers opportunities:

- Building your brand on social media
- Leveraging automation for passive income
- Mastering online sales techniques
- Learning smart investment strategies

In today's world, making money online isn't just nice-to-have. It's essential for financial security.

Which type of person will you be? The one who adapts and thrives, or the one left behind?

Why are some Christians uncomfortable with financial success?

Let's talk about a misconception that's holding many believers back: the idea that pursuing wealth is somehow un-Christian.

But what does the Bible actually say?

Proverbs 13:22 tells us, "A good person leaves an inheritance for their children's children." That's not just wealth - that's generational wealth!

God wants us to prosper, not just scrape by. He wants us to leave a legacy that impacts generations to come.

Yet too many Christians settle for less, sometimes even leaving their children burdened with debt. That's not God's plan!

If you're a Christian entrepreneur or feel called to business, I want you to know something: You're in the right place. God has given you those business skills and dreams for a reason.

In our Kingdom Entrepreneur Academy, we're helping over **(Input the Activate Breakthrough FB group Members count)** believers build wealth in a way that honors God. We combine:

- Biblical principles
- A supportive community
- Proven strategies for building automated online businesses

The result? Financial freedom that allows us to bless our families and further God's kingdom.

Let's build wealth God's way - unapologetically and with excellence!

Have you ever scrolled past a "make money online" post and thought, "Yeah, right"? That was me not too long ago.

I saw a friend's post about earning income online and immediately doubt crept in. Not just about the opportunity, but about myself. Could I really do this?

But then, I felt a nudge from God. A whisper saying, "Trust Me."

So, I took a leap of faith. I followed the step-by-step instructions, pushing past my doubts and fears. And you know what? I made my first online dollars!

Now, I'm on a journey of growth, scaling up and seeing new possibilities every day.

Here's what I've learned: Your community can make or break your success. Having people who believe in you, guide you, and cheer you on is priceless.

Are you surrounded by dream-chasers or dream-crushers? If you're missing that supportive community to help you break free from the 9-to-5 grind, don't worry. We've got you!

Comment "UPLIFT" below if you're ready to join a community of faith-driven entrepreneurs. Let's support each other, grow together, and create the life God's calling us to.

Remember, if I can do it, so can you. Your breakthrough might be just one decision away!

How often do we limit our dreams because we can't figure out the "how"? But here's a powerful truth: God doesn't expect us to have all the answers. Our job is to believe, His job is to provide.

Mark 11:24 reminds us, "Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours." This isn't just a nice saying - it's a promise from God!

Think about that for a moment. The Creator of the universe is telling us to believe first, then receive. It's the opposite of how the world tells us to operate!

This applies to every area of our lives, including our businesses and finances. When we pray for success, abundance, or breakthrough, our role is to:

1. Ask with confidence
2. Believe wholeheartedly
3. Act in faith

God's role? He handles the "how." He opens doors we didn't even know existed. He brings people and opportunities into our lives at just the right time.

So, what are you believing for today? A thriving business? Financial freedom? Kingdom impact that spans generations? Whatever it is, dare to believe it's already yours.

Stop worrying about the "how" and start thanking God for the "what." Your breakthrough might be closer than you think!
